# Popular Publications for the Farmer and Homemaker

## List No. 5 1951

Compiled by ELEANOR W. CLAY

Office of Information

United States Department of Agriculture

## **NOTICE**

The publications included in this list are of general interest to farmers and homemakers. They are arranged numerically and classified by subjects under two main groupings, "Bulletins for the Farmer" and "Bulletins for the Homemaker." All were available *free* at the time the list went to press.

It is requested that no one ask for more than 10 publications at one time. If more are desired, they may be purchased from the Superintendent of Documents, Government Printing Office, Washington 25, D. C. Prices will be quoted by the Superintendent of Documents upon request.

*Exception.*—Limited quantities of publications will be furnished for official use. Consideration will also be given to quantity requests from nonprofit organizations cooperating with the Department.

Restrictions are in effect against sending publications free to students. Teachers, however, may continue to receive limited quantities for school libraries.

## **HOW TO ORDER**

When you request publications please use the order blanks provided for this purpose. By so doing you will hasten delivery. *See pp. 25 and 26.*
